

Hello ACP Families!

We haven't forgotten about you! The constant theme in emails and texts among our staff is how much we miss our students. We know they are growing like weeds and we love hearing about their antics. We are working on plans to safely and efficiently distribute their belongings to you in mid-May so please keep checking your email for details.

In the meantime, check out these "message in a backpack" fliers, that would usually be attached to our monthly newsletters, for some fresh ideas to use with your preschooler.

I pray you are all safe and healthy!

Barbara 😊
