

Jesus Enters Jerusalem

Bible Verse

They shouted, “Blessed is the king who comes in the name of the Lord!” (Luke 19:38)

Teacher Enrichment

This is the first lesson in the *Lent* series which explores the Biblical account of the week between Palm Sunday and Easter. In today’s church, Lent is a time to prepare our hearts and minds for Easter. This series exposes children to the events leading up to Jesus’ death and prepares their hearts to receive the gift of Jesus’ sacrifice and resurrection.

On Palm Sunday, Jesus enters Jerusalem to great fanfare, cheering and enthusiasm. The son of God has arrived in their city and people are excited! This is in stark contrast to the scene of Jesus being nailed to a cross only five days later, yet on this Sunday, the excitement persists. People come out to greet Jesus, laying palm branches and clothing in the road and shouting “Hosanna” as He passes. Today, Jesus may not be riding down the street on a donkey, but we have the same opportunities to “see” Jesus and cheer His arrival in our lives. God’s love is at work all around us and we should not be afraid to name it and celebrate it. Yes, it can be in stark contrast to the broken and hurting parts of our world, but God’s love persists.

This lesson will teach children to celebrate Jesus and His love for everyone. It will help children identify ways Jesus is at work in the world and remind them to rejoice when they see God’s love.

The Lesson

SUPPLIES: Laminated palms, Construction paper, Decorative items, markers/crayons

- ◆ Gather all the children in a circle on the carpet. As you are able, sit on the floor with them or use a chair as part of the circle.

ASK: Today we learned about Jesus arriving in Jerusalem. What did the people do when Jesus arrived? (*Cheered, laid down palm branches and clothes*)

SAY: The people were so excited to see Jesus, the son of God! We may not get to see Jesus ride into town on a donkey, but we can see Jesus at work in the world. We can see Jesus at work when we see people showing love to others.

SAY: I have some palm branches here with examples of Jesus working in the world. Let's read them together. If you have ever done any of these things, you can share an example.

- ◆ Read each palm leaf. Briefly allow children to provide examples from their personal experience.
 - Donating food
 - Praying
 - Helping someone who is hurt
 - Inviting a classmate to play

- Doctors and nurses healing sick people
- Feeding the homeless
- Sharing toys with a brother or sister
- Helping parents with chores
- Surprising a friend with a card
- Making a new friend

SAY: When we see these kinds of things in the world, we should get excited! It shows Jesus at work in the world. Just as the people were excited to see Jesus riding into town, we should be excited when we see Jesus in the world.

SAY: Jesus rode across the palm branches and people cheered. Today, let's lay these palm branches in a path and walk across them like a parade. We can cheer for Jesus while we walk!

Lay the laminated palm branches in a path around the room. Lead the children in a "parade" on the path and cheer for Jesus.

SAY: Our children's worship leader told us about our craft today. We are going to make joyful Easter cards for those in our community who may need extra cheer this time of year.

- ◆ Show children a sample card.
- ◆ Provide each child with a piece of construction paper.
- ◆ Make decorative items available to the group.
- ◆ Write phrases on white board – Happy Easter, He is Risen, Jesus is Risen.
- ◆ Be sure for children to sign their first name only.

Closing

- ◆ Lead the children in a closing prayer. You may say your own prayer, ask one of the children to say a prayer or use the one below.

God,

Help us remember to cheer for Jesus! Thank you for all of your love in the world.

Amen

- ◆ If time remains before parents arrive, encourage children to return to their Palm Sunday coloring page if they did not complete it. Also encourage conversation between children and with you. This is another opportunity to build relationships with the children in your classroom!
