

PFLAG LOUDOUN

LGBTQ+ SUPPORT

MONTHLY ONLINE COMMUNITY MEETINGS

PFLAG Loudoun is going virtual!

WHEN

Upcoming Meeting:
August 25
(and every 4th Tuesday of the month)
7-8:30 pm

WHERE

On the DC Metro PFLAG Zoom account. Password protected.

WHAT

This online opportunity will give the LGBTQIA+ and allies a healthy and safe online space to come together during this time of COVID for community. While these meetings can be therapeutic, they are not run by professional behavioral health members. This community gathering is a place to network, share, and support each other within the LGBTQIA+ community. We have additional resources for those who may be seeking higher care.

There will be three breakout groups:

- LGBTQ+ adults
- LGBTQ+ youth
- youth and parent allies

Each small group will be facilitated by one of our leaders.

HOW

To ensure the safety and privacy of our attendees, we will be making this meeting a password protected meeting. If you would like to attend, please email pflagloudoun@gmail.com to receive the confidential Google Doc. This will allow us to email you the password to attend the meeting. The password for the meeting will be sent out approximately 30 minutes before the meeting's start time. PLEASE do not share this password with anyone to ensure a safe, nurturing, and confidential online environment for our attendees. Youth ages 12-17 must have parental/guardian/caretaker permission to attend online. We ask for the parents/guardians/caretakers to sign the Google Doc for their youth that want to attend.
